Safety Products

Description: Long white rolled finger cots.
The uniform 0.07mm film thickness means that the cots provide excellent tactility. Having had mechanical washing they offer very low extractables indeed.

Dimensions: Length: 5.7 cm
Size : Small
Sizes Available: S / M / L / XL

Materials: 100% natural rubber long cots.

Standards: Federal Spec: ZZ-F-001299. ASTM D3772. FDA APPROVED

Packaging: 10 gross per bag, 20 bags per box
