Subject: Increase of assurance of supply for below 5 holders

This is a 60 days PCN.

With regards to the above reference, Littelfuse would like to inform you that we would be increasing our production output support from existing Europe to now include China for the below mentioned 5 part numbers.

The holders that would be shipped out from China factory would have COO China as the single change on the label.

There are no changes to the electrical specs as defined in the datasheet, no changes in the form, fit and function of the holders. Please see attached for validation report.

There are no changes to the part number.

Affected part numbers are as follows;

83500000005

81600000005

83100000005

83000000005

81100000005

We would do the running change for shipments from Aug.16<sup>th</sup>, 2021.

Please let us know should you have further queries.

Best Regards;
