

Product Change Notice: ESE-xx Series Electromechanical Detector Switches

PCN.PG13.6.14.2021

6.14.2021

<p>About This Notice:</p>	<p>Panasonic currently use a plastic bag with a green stripe for shipment. Due to insufficient supply from suppliers, the shipment requirements cannot be met. Hence, we will change the plastic bag with green stripes to an alternate plastic bag with a green circle. The new plastic bag and the original plastic bag are both normal shipping plastic bags and have the same size and suppliers. This change will not have any effect on production and will make no change of the product.</p>
