

22-Jun-2021

**PCN #:**PCN-21-105025

**Subject:**New GI (Grace Inertia) 3.3 Receptacle Contacts

**Description of Change:** A new material supplier, with equivalent performance, has been qualified.

**Reason:** Improve supply chain reliability. Supplying the products to our customers in a timely manner by adding a new material supplier to accommodate a change in demand of raw material in the market. There are no performance changes. The products made by a new supplier have been qualified to ensure the performance requirements of product specification. Material certification and test reports will be available upon request to your local TE Connectivity Sales Engineer.
