

CLARITY S-10-W

Active Studio Subwoofer with 10" Woofer

The 10" CLARITY S-10 active studio subwoofer has been designed to offer musicians, sound technicians and music producers a deep and dynamic response at low frequencies and therefore precise and clear bass in the sound for a full musical experience with 350 watts of class AB amplification. The wide choice of inputs positioned on the rear panel (XLR, TRS, RCA) guarantees ease of use. The modern and refined design and the satin black finish make this studio subwoofer elegant and suitable for many environments.
