**PDN# 20210625001.3**  
**Discontinuance of select RS232 devices**  
**Product Discontinuance Notification**

**Date:** June 29, 2021  
**To:** PREMIER FARNELL PCN

Dear Customer:

The recipient has been identified for notification of changes for one or more of the products affected by the change detailed in the notice. Customers are notified based on the past twenty-four (24) months of the customer's purchase history or the recipient is listed as being part of GIDEP (Government-Industry Data Exchange Program).

TI would appreciate it if you would notify us of any future demand and estimated quantities needed for the affected products as soon as possible.

In an attempt to satisfy continuing requirements, TI is offering a non-cancelable, non-refundable last time buy for the product. Related dates are included in the notification. We will contact you as soon as we have completed a review of all customer responses and determined the appropriate course of action required to satisfy the need for this/these products.

If you require additional supply beyond the dates defined in this letter, please contact your local Field Sales Representative to determine if the parts may be available from a TI-authorized distributor for discontinued products. There is no guarantee of continued supply for these products.

For questions regarding this notice, contact your local Field Sales Representative or the PCN Team ([PCN\\_ww\\_admin\\_team@list.ti.com](mailto:PCN_ww_admin_team@list.ti.com)).

Sincerely,

PCN Team  
SC Business Services

### Product Discontinuance Notification Details

#### Description of Discontinuance:

Texas Instruments Incorporated (TI) is announcing the discontinuance of select RS232 devices. Part Numbers are listed in the Product Affected table below. A last time buy is being offered per the date shown above.

Equivalent recommended replacements are being offered, as shown, in the Product Affected table. The replacement products are undergoing a change in PCN 20210625000. Changed material may begin shipping after expiration of PCN 20210625000.

NOTE: There are no samples offered for withdrawn/obsolete products. For samples of any of the changed replacement products based on PCN 20210625000, please contact your local sales representative.

#### Reason for Withdrawal/Discontinuance:

TI will no longer support certain tube packing, E4/G4 variants, temperature range variants, or ESD protection variants for the following products. The recommended replacement products are equivalent or better and are shipped in reels.
