

Technical Data

AQUASAFE **WATER SOLUBLE SOLVENT SYSTEM**

AQUASAFE is a water based detergent cleaner that exhibits high solvency power and corrosion inhibition. Suitable for hot and cold use, the product has been formulated for use in a dilution with water and will quickly remove numerous different types of soiling and contamination:

- * Grease
- * Oil
- * Grime
- * Silicones
- * Wax
- * Polish
- * Nicotine
- * Mildew
- * Fungus
- * Ink

APPLICATIONS

Suitable for use on a wide range of surfaces throughout industry:

- * Engineering
- * Automotive
- * Transport
- * Local Authorities
- * Construction
- * Marine
- * Printing
- * Aviation
- * Electronics

Aquasafe can be applied by hand, brush, swab or immersion and has also proved to be a highly effective cleaning agent for use in ultrasonic cleaning equipment.

The product may also be used through pressure and power washers, although it is not entirely suitable due to its foaming properties.

TECHNICAL DATA

| | | |
|--------------------|---|-------------------------------------------------------|
| Appearance | : | Clear, fluorescent green liquid |
| Odour | : | Perfumed |
| SG @ 25°C | : | 1.04 |
| pH | : | 13.5 |
| Solubility | : | Soluble in water, insoluble in solvents |
| Dilution rates | : | 6:1 to 40:1, depending upon level of soiling |
| Compatibility | : | Safe on plastics, rubber and painted surfaces |
| Foaming properties | : | High foam |
| Flammability | : | Non-flammable |
| Packaging | : | 750ml, 5 litres (4 per carton), 25 litres, 200 litres |

STORAGE

The product may be stored at normal ambient temperatures and has a shelf life of not less than 36 months with correct storage.

HEALTH AND SAFETY

Health and Safety sheet available separately.

TECHNICAL SERVICE

Ambersil provides a technical support service and maintains a constant programme of research and development. We are able to assist customers by specific product development to meet particular requirements.

MISREPRESENTATION ACT 1967 TRADE DESCRIPTIONS ACT 1968

The information given in this publication is based on our experience and reports from customers. There are many factors outside our control and knowledge which affect the use and performance of our products and for which reason no warranty is given, express or implied. Users should make their own tests to determine the applicability of such information or the suitability of any products for their own particular purposes. Statements concerning the use of the products described herein are not to be construed as recommending the infringement of any patent and no liability for infringement arising out of any such use is to be assumed.
