Installation Notes

Installation

Subject to changes. Please also observe the further product documentation!

Place the inline splicing connector on the carrier in front of the mounting position.

Push the connector to the center position until it snaps into place.

Mounting carrier without strain relief – snapped onto DIN-rail

Various combinations of 1- to 5-connector mounting carriers are possible via side-by-side latching mechanism.

Strain relief

3-pole mounting carrier with strain relief

Subject to changes. Please also observe the further product documentation!
