TE would like to inform you of the following change(s) to the listed TE Connectivity Product. In case of any further questions about this change(s), please contact your TE Connectivity Sales Engineer. Affected part, drawing and/or specification numbers are listed on the attached sheet(s).

General Product Description:

Product Discontinuance | KR & KRP Relays.

Description of Changes

Dear Customer, You are receiving this notice because TE Connectivity has record of you purchasing a part or multiple parts on the list below in the last few years. To optimize TE's product portfolio, TE decided to obsolete (exit) KR & KRP of Potter & Brumfield Panel Plug-In Relays. TE is offering a last-time buy. TE requests you to consider the last-time buy order date and place your orders before the given date.

Reason for Changes:

TE can offer close equivalents of standard catalog PN, if you need support in choosing catalog PN for your application, please reach out to your TE account manager. Considering low volume, custom and old tooling associated with this set of PNs, TE reserves right to not accept PO or reduce volume on accepted, for any reasons.
