

Item No. 03920

SIP MEDUSA T952 2-STROKE GENERATOR

Perfect for small power
tools, work lights etc.

4ltr fuel tank for a
6.5hr running time

1x 230v output socket
12v output up to 40Ah

Low oil pressure
alert system

Item No. 03920

SIP MEDUSA T952 2-STROKE GENERATOR

Perfect for small power tools and work lights etc.

4ltr fuel tank for a 6.5hr running time

1x 230v (13A) output socket

12v output for charging batteries up to 40Ah

Low oil pressure alert system protects the engine and shuts down automatically

Robust framework with anti-vibration mounts; for maximum protection and durability

|---------------------------|---|
| Item No. | 03920 |
| EURO V Engine Type | 2-stroke single cylinder OHV air-cooled |
| Alternator Type | Brushed |
| Peak Output | 750w |
| Continuous Rated Output | 650w |
| AC Voltage | 230v 50Hz |
| Output Sockets | 1x 230v (13A) |
| DC Voltage | 12v |
| DC Current | 4.2A |
| DC Output Charge Capacity | 40Ah battery |
| Fuel Tank Capacity | 4ltr |
| Runtime | up to 6.5hrs |
| Sound Power (LwA)* | 91dB(A) |
| Net Weight | 16.00kg |

**complies with EU noise directives.*
