Subject: **Telaire T7001 Product Discontinuance**

Dear Customer:

This letter serves as formal notification of our decision to cease production of the Telaire T7001 Handheld IAQ Monitor.

The T7001 has been a valued product line for many years and this 'End of Life' decision has been made as part of our on-going product lifecycle management process.

Please note we will continue to accept T7001 orders until we have exhausted our limited remaining inventory.

Sincerely,

Jeff Hawkins
