

Announcement

June 2021

Specification change: PS9Z mounting brackets for PS3V series power supplies

IDEC would like to inform you of a few specification changes regarding the mounting brackets of PS3V series (to be released soon) switching power supplies.

Details are as follows:

1. Subject models

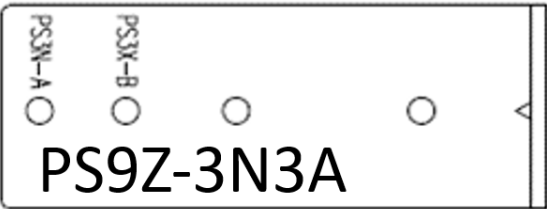

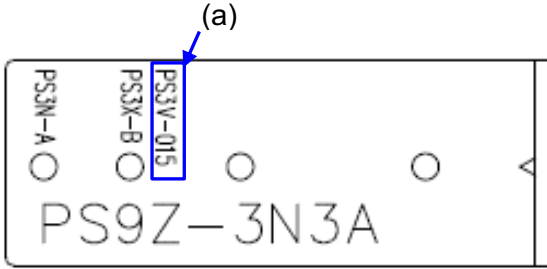

The following mounting brackets:

L-shaped mounting bracket	DIN-rail mounting bracket
PS9Z-3N3A	PS9Z-3N4B
PS9Z-3E3B	PS9Z-3E4C
PS9Z-3N3E	PS9Z-3E4D

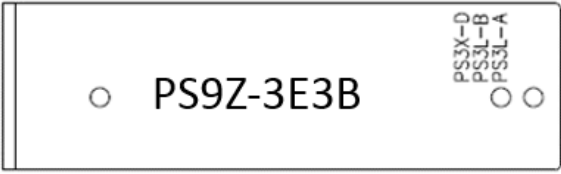

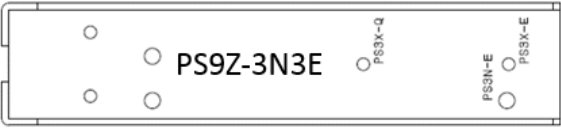

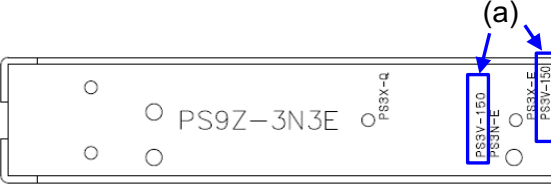

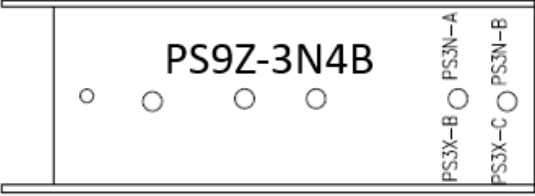

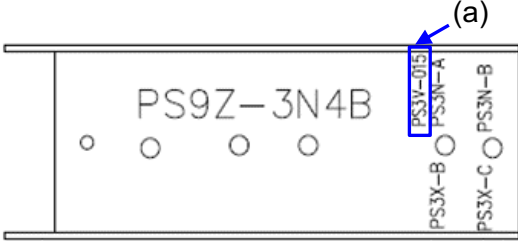

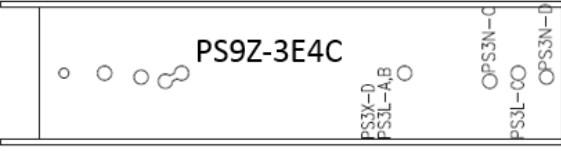

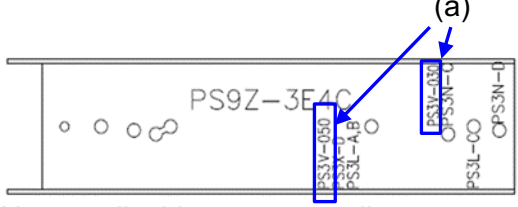

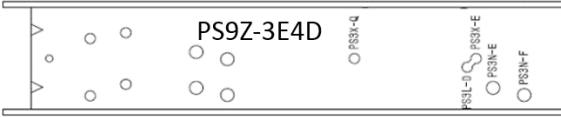

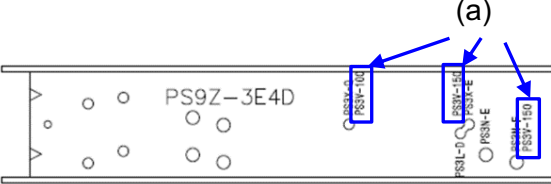

2. Modification details

The above mounting brackets will be modified as follows so that they can be used with the new PS3V series switching power supplies.

- (a) The part number(s) of applicable power supplies will be added on the mounting brackets.
- (b) Mounting holes will be added for PS9Z-3E3B.

Current	New
 <p>PS9Z-3N3A</p>	 <p>PS9Z-3N3A</p> <p>New applicable power supplies: PS3V-015</p>

Announcement

Notes:

1. Regarding the part numbers of the mounting brackets and applicable power supplies displayed on the mounting brackets, some of them are printed and some of them are engraved currently. However, the display method of all part numbers will be gradually changed to engravement.
2. There is no other specification change.

3. Schedule

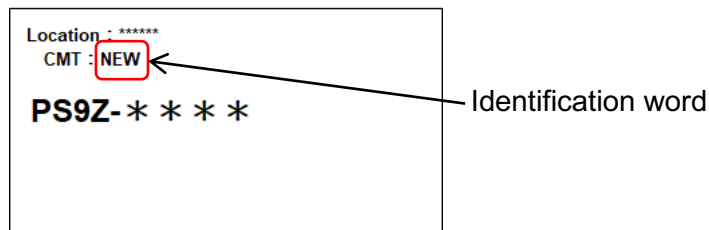

Starting June 2021 (or sooner depending on our stock situation)

4. Part number and prices

No change

5. Identification

Modified products will have an identification word "NEW" displayed next to the "CMT:" printed on their packaging labels.

This identification will be used with modified products shipped until December 2021.
