

Weller®

25W-75W Cordless Soldering Iron & Heat Tool, Butane Powered (Butane not included)

Article number: WLBU75

- Continuous, No Stop Soldering
- Reduce Downtime
- Protect Yourself & Workspace
- Multiple Tips for Different Applications
- No Tool Tip Change
- Solder On-the-GO
- Converts to Torch

Solder on-the-go with Weller's Soldering Iron & Heat Tool. 25W-75W butane iron provides continuous no-stop soldering. With quick and easy butane refills, wide range of tips, auto shut off, and the ability to convert for hot air/torch applications, it's perfect for your soldering tasks.

Temperature range °C: 454

Tip Size: 2.4mm

Recommended for the following applications: Home Repair

Recommended for the following applications: Electronics

Recommended for the following applications: Drone

Recommended for the following applications: Audio

Power source: Butane

Tip shape: Double Flat

Recommended for the following applications: Joining Wire

Recommended for the following applications: Hobby

Power: 25W - 75W

Recommended for the following applications: Jewelry Making

Temperature range °F: 850

UPC: 037103346094

Minimum Order Quantity: 10

CE on

Recommended for the following applications: PCB Boards

Weight (approx.) in kg: 0.14

Successor product: P2C, WP4, WL1

Weight in lb: 0.30
