## DATASHEET / BROCHURE

Compact and stylish, this all-in-one prints high-quality photos and sharp documents with individual inks and mobile and A4 duplex printing.

Forget compromise; with the XP-6105 you can produce high-quality photos and text documents from a compact and stylish all-in-one. It's economical too with individual ink cartridges for replacing just the colour you've used. And if printing away from your desktop appeals, there's a full suite of mobile printing options.

### Style and substance

Unightly tech is a thing of the past; this all-in-one looks great from every angle. And wherever you choose to place it, the modest footprint ensures it takes up as little space as possible.

### Best of both worlds

Enjoy the beauty of high-quality photos and crisp, clear text documents with the five-colour Claria Premium dye and pigment ink set. Photos are crystal clear with vibrant colours and deep, rich blacks as Claria Premium incorporates a photo black ink cartridge.

### Mobile printing

Print using smart devices with Epson's free apps, Wi-Fi, and Wi-Fi Direct. Print and scan wirelessly with Epson's iPrint<sup>1</sup> app or try Epson's Creative Print<sup>1</sup> app to print photos from Facebook, create greeting cards, and more. And print from almost anywhere in the world by emailing files to the printer with Epson Email Print<sup>1</sup>.
