

Bourton Bump Cap

A light and comfortable cap that's invaluable as a safeguard against accidental bumping or scraping of the head.

Please note: Must not to be used when an industrial safety helmet to EN397 is required because of the risk of falling objects.

Please insert the following three digit number in place of the dashes into the code of your required Helmet to indicate your colour selection: 100 White, 200 Yellow, 300 Green, 500 Blue, 600 Red, 800 Orange.

- Lightweight shell manufactured from high density Polyethylene
- Hygienic and easily washable
- 4-point Suspension Harness
- Comfort plus or standard polythene harness
- Slip or wheel ratchet adjustment
- Conforms to EN 812
- 530-630mm sizing (61/2 - 77/8)
