

Product End of life – A02ESI Series

August 3, 2021

This notice is to advise our customers that APEM, Inc. will be rebranding its line of A02ESI emergency stop products. This offering will be replaced by the YW series. We advise our customers to look at the alternates below. These products will be identical to the current products with the exception that the branding on the switch will contain the Logo and branding of our parent company IDEC or as noted below.

If you have any questions or concerns, please consult your APEM contact.
