## Bourns® Model SDE6603 Series Non-shielded Inductors to be Discontinued

Riverside, California – September 14, 2021 – In accordance with our ongoing product lifecycle management procedure, Bourns will transfer the [Model SDE6603 Series Non-shielded Inductors](#) to an End of Product Life status on March 5, 2022. A lack of sales volume and diminishing demand necessitates this action.

The [Model SDR6603 Series Non-shielded Inductors](#) are the recommended replacement inductors. The form, fit and function of the suggested replacement parts are not identical to the obsolete parts. However, the specifications of the suggested replacement Model SDR6603 Series are likely to be substitutable for typical applications. Please refer to Bourns' data sheets for more information.

SDE6603-2R7M	None		

Customers must notify Bourns in writing within 30 days of publication of this notification if they consider the discontinued part numbers to be sole sourced by Bourns. In such cases, Bourns will work with the customer to negotiate an appropriate End of Product Life purchase for the discontinued products. Orders for these discontinued products during this End of Product Life transition period will be considered non-cancellable. Products purchased during this End of Product Life transition period will be considered non-returnable and will be covered by Bourns standard warranty.

### Please plan for the following deadlines:

Last time buy date: **March 5, 2022**

Last time ship date: **September 3, 2022**

If you have any questions or need additional information, please feel free to [contact Customer Service/Inside Sales](#).
