

Product Change Form

PCN #: PCN20-0036	Rev: 1.1	Issue Date: May 29, 2020 Revised Date: March 12, 2021								
Type of Change: EOL notification withdrawal / product life cycle extension										
Detailed Description: This message is to inform you of a product discontinuation (EOL) withdrawal of the CompactFlash C-300 Longevity (C-300L) series. After careful consideration of the circumstances, Swissbit can continue to offer the established product series as a long-term available solution for legacy systems with CompactFlash interface. Thanks to the inclusion in a strategic product longevity program on the part of the NAND flash supplier Micron, this product series can continue to be offered at least until the year 2025.										
Reason for change: Component availability / product life cycle extension

Last Time Shipment (LTS)	Revoked (previously November 30, 2021)									
Recommended action:										
Please contact your local Swissbit Sales contact for demand planning and any further questions regarding the C-300 Longevity series.										
Should you have any questions or concerns with the content of this change, please contact the Swissbit PCN team at customer.pcn@swissbit.com within 30 days. No response will be deemed as customer's acceptance of the change and the change will be implemented pursuant to the implementation date set forth in this PCN. IMPORTANT NOTE: <i>Swissbit – as a provider of industrial products – announces and informs about every change in the product hardware and firmware. We always test backwards compatibility and assure best quality, reliability and transparency for our customers. We apologize for any inconvenience caused.</i>
