D6T MEMS Thermal Sensor - Change to Lot number label

In an effort to enhance our production process, Omron will change the Lot number label used for the D6T Series MEMS Thermal Sensor. The new method of marking the product will take effect as of our production in March 2022. This modification notice will explain the appearance change of the marking on the D6T Thermal Sensor. This change will not alter the technical specifications or external dimensions of the sensor. The models to be affected include all, but are not limited to, the models listed below; should you have any additional questions, however, please communicate with the Sensor Product Manager, Cary Horan.

Effective Date:

Effective as of our production in March 2022
