

Pocket Work Light with Magnetic Swivel Clip

NEB-WLT-0017

The Larry™ is now BRIGHTER THAN EVER! Now, equipped with new C•O•B LED technology, the Larry™C outputs 170 lumens of intense light. The rotating magnetic clip gives you convenient hands-free lighting by attaching to virtually anything. The reinforced plastic body design is water and impact-resistant, making this light basically indestructible.

There's a reason the Larry line has become the favorite go to pocket work light and it's not just the quirky name. Larry has become synonymous with reliability and dependability. So next time you're getting ready to jump into a project, don't forget to call Larry, he has the experience you need to get the job done.
