

407.E | ESD "compact" cutters: handling

Standards:

NF ISO 9654, ISO 9654, DIN ISO 9654, ASME B107.500

Description:

- Protection of electronic components from risks of electrostatic discharge (ESD).
- These pliers combine cutting performance with handling thanks to their new slim diagonal shape.
- The 405.MT pliers allow to cut piano wire up to 0.4 mm.
