Usage

1. Mirror your S4 through the standard HDMI output on a compatible TV

With this Samsung MHL HDTV adaptor you can playback video content through your Galaxy S4 onto your High Definition TV. It also allows you to mirror what is shown on your S4's screen so you can enjoy your favorite media content directly from your phone to your HDTV.

2. Simple and easy to use

Simple and intuitive, the Samsung Galaxy S4 MHL HDTV Adapter is easy to set up and connect to your Galaxy S4. Simply connect the adapter to your smart phone via the Micro USB and use a regular HDMI cable to connect the adapter to your HDTV. Finally, to ensure that the connection can be established, the adapter needs to be powered using a Micro USB charger.

3. Reverse compatibility supports use with the Galaxy S3 and Galaxy Note 2

The design of this MHL adapter ensures that it is compatible for use with both the Samsung Galaxy S3 and Note 2 (MHL 1.0 support only).
