NOVELTY!

Maximum compatibility, stylish design, possibility of charging two devices simultaneously - that's everything you need from a good powerbank. With this device it is possible to charge 2 gadgets in parallel. The battery is equipped with micro-USB and USB-C inputs. Charged gadgets are protected from short circuit, overheating, overvoltage, overcurrent, overcharge, and over-discharge. The battery capacity is enough for 2-3 charges of a modern smartphone.
