Convenient combination package

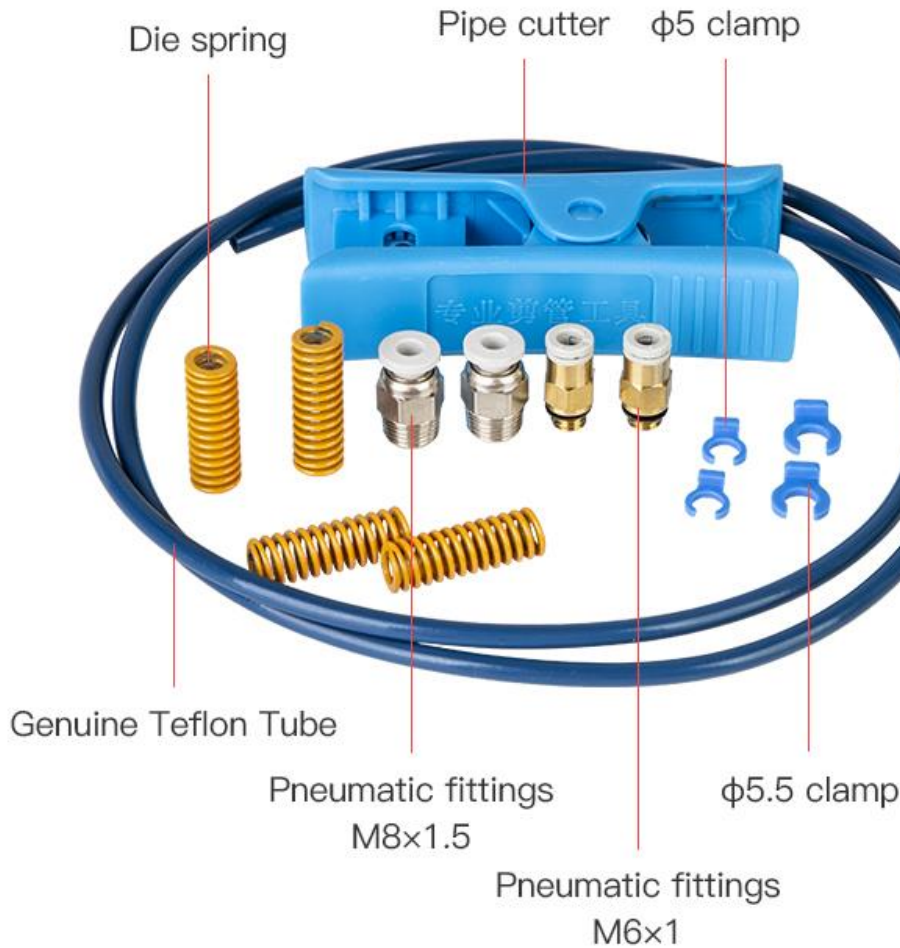

Capricorn
PREMIUM PTFE BOWDEN TUBING

Teflon tube and pneumatic fittings package

The image shows a product listing for a pneumatic fittings package. It features a light blue background with the product name and a description. A central image displays the contents of the package: a blue cutting tool, various brass and stainless steel fittings, orange O-rings, and blue plastic connectors, all arranged around a coil of blue Teflon tube. A white label with the Capricorn logo and text 'Capricorn PREMIUM PTFE BOWDEN TUBING' is placed below the items. The text '3D PRINTER' and 'CREALITY' are visible in the top left and right corners, respectively. A small menu icon is located in the bottom left corner.

Package List

Product Information
