Features for  
Commercial Use

## Live Smarter with webOS

LG Smart TV with webOS allows you to easily enjoy your favorite Netflix movies, YouTube videos and much more. The New design and various features deliver smarter yet simpler viewing experiences.

## Dynamic Color Enhancer

The Advanced image processor adjusts color for richer, more natural images. Enjoy the beauty of nature's true colors on your TV screen.

## Quad Core Processor, The Origin of Lifelike Images

Four fast, accurate processors eliminate noise and create dynamic color and contrast. Low-resolution images are up-scaled and reproduced as sharper, more vivid images.

## Choose, Connect and Enjoy

By connecting your USB or external hard drive, You can enjoy almost any content on your TV. Enjoy your favorite movie on a bigger screen in higher resolution.
