### Summary

---

Change to standard hardware warranty for FX30 and FX30S.

### Change details

---

Standard hardware warranty for all FX30 and FX30S products will be changed to 1 year from the Date of Purchase.

For the full warranty terms, please see:

- For customers who buy directly from Sierra Wireless: [www.sierrawireless.com/terms-of-sale](http://www.sierrawireless.com/terms-of-sale)
- For customers who buy from Sierra Wireless authorized resellers: [www.sierrawireless.com/end-user-warranty](http://www.sierrawireless.com/end-user-warranty)

Extended warranty can still be purchased for up to 5 years. Please contact Sierra Wireless for more information on extended warranty.

### Timeline

---

This change will apply to new orders starting on January 1, 2022

### More information

---

For more information, please contact your Sierra Wireless sales/technical support representative.
