After Change

Overview

- Molex will close the Molex Juarez plant and consolidate production in Molex Nogales
 The transfer follows a strict procedure, which fully maintains quality, ability to supply and form-fit-function of the concerned products. The new manufacturing location operates under a certified quality management system in accordance with standard industry requirements. A Molex internal release test based on the relevant part specifications defined by Product Engineering will be executed before delivery.
- Product Impact
 - No impact to fit, form or function.
- Part Number Impact
 - see attached impacted parts list
- Samples available upon request
 - Sample availability date to be stated in PCN
