

## Description

A height adjustable AV single shelf wall mount with thick tempered glass that will hold up to 8kg and is ideal for audio visual devices and peripherals. The mount can be vertically adjusted to the required height and the slim profile works well with ultra thin flat screen TVs. With integrated cable management and simple construction this mount will deliver a slick and professional solution.

## Specifications

Material : Aluminium, Steel, Tempered Glass  
Layer Thickness : 5mm  
Weight Capacity : 8kg (per layer)
