

END OF LIFE NOTICE

Product Category : Battery Accessories

Issue Date : 08- FEB -2022

Effective Date : 08- FEB -2022

LTD DATE : 30- APR -2022

LTD DATE : 30- APR -2022

REASON FOR CHANGE : These products have become uneconomical to manufacture which has been exacerbated by component shortages, spiralling component cost and longer lead-times for materials. The PI20 and PT20 T are identical in every Respect to the PT10 and PT10 T in terms of functionality and form factor, however, their current rating is 20 amps.

Part Effected : Below are the list of parts which are obsoleted with replacements.

END OF LIFE			REPLACEMENT
