

Product Change Notification (PCN)

PCN Number	511607	Date Issued	February 09, 2022
Reason for Change	Retraction		
Change Type Description	This notification is to advise you of a modification to a previously issued PCN. Please refer to the information below for details regarding the amendment.		
Assessment of Change	Dimension analysis		
Internal Molex Qualification Date	February 14, 2022		
Sample Availability Date (Changed Part)	February 14, 2022		
Planned Implementation Date	February 14, 2022		
Method of Identifying Change	Product made after planned implementation date can contain the change		

Before Change

- Mini-Fit Jr. Vertical Header – Series 5566

Before
Drain Hole Option

After
Non-Drain Hole Option

After Change

Overview

- This PCN is a Retraction/Recall for previous PCN 510809 communicated on January 18, 2022, for the following:
 - Currently vertical header housings have a drain hole and non-drain hole version housing, the drain holes are no longer needed (they were used in the past when PCB boards were being washed and are no longer needed) therefore we are eliminating the drain hole option going forward
- The reason for this Retraction/Recall is that part numbers that did not contain the Drain Hole option were included in the impacted parts list used to create PCN 510809.
- A new PCN will be created and impacted customers will be notified.
- No Qualification reports, PPAP, or samples will be available for this change due to the retraction/recall.

Product Change Notification (PCN)

You may address any technical inquiries regarding this PCN by sending E-mail to pcn_coordinator@molex.com or your Local Sales Engineer.

Note: While responding, please retain "**PCN Notification:511607**" in the e-mail Subject line for faster response.
