Retraction PCN for PCN#509503

- After additional review, Molex has decided to re-transfer a manufacturing location of PN#50195 series to Molex Vietnam plant.
 - Due to this decision, we hereby inform to retract some of the PCN#509503 issued on October 26, 2020.
 - Reference) PCN#509503 CFD information
- Transfer Rationale:**
- In a rapidly increasing demand of the products, in order to maintain a stable production and supply with keeping on time delivery, we decided to transfer a manufacturing location from Shizuoka plant. This Short Notice PCN is to communicate this transfer to impacted customers as soon as possible.
- The transfer follows a strict procedure, which fully maintains quality, ability to supply and form-fit-function of the concerned products. The new manufacturing location operates under a certified quality management system in accordance with standard industry requirements. A Molex internal release test based on the relevant part specification defined by Product Engineering will be executed before delivery.
- Product Impact:**
- No Impact to Fit, Form or Function
- Part Number Impact:**
- See attached impacted parts list
