Re Discontinuation of the Dust Sensor: **SM-UART-04L**

To whom it may concern,

We have taken the difficult decision to stop manufacturing the dust sensor SM-UART-04L and all variants of this model.

Please inform us by EOB on April 15th, 2022, if you would like to make a last-time buy. There are material cost increases and last time buys will need to be requested.

Please reach out to your local account manager with any questions.
