

Description

Warm your bathroom with this 65W Electric Heated Towel Rail. Use this electric towel rail to keep your towels fresh and dry when you need them to be. This wall-mountable towel radiator ensures your bathroom feels comfortable when you need it to be. The towel rail radiator runs on electricity meaning it is independent of your central heating system, giving it a quick warm-up time, and it will turn on when you need it - winter or summer.

Features

- Wall mountable
- Five bars for fast and even heating
- On/Off switch with indicator
- Aluminium bars to resist corrosion
- IP rating: IPX1
- Power rating: 65W
- Operating voltage: 220 - 240V ~50Hz, UK mains plug
