

3M™ Dual Lock™ Reclosable Fastener Low Profile SJ457D, Transparent, 25 mm x 10 m, 1.7 mm, Twin Pack

Part Number: SJ457D, Black, 10M X 25MM, 3M ID 7000070534

Product Overview:

- Bond metals, glass, many plastics and powder coated paints and medium to low surface energy materials
- Get a self-mating polyolefin fastener that's half the thickness of standard Dual Lock reclosable fasteners
- Choose a fastener with a 100 closure life
- Features good heat resistance up to temperatures of 70 °C.

Details:

- Bond metals, glass, many plastics and powder coated paints and medium to low surface energy materials
- Get a self-mating polyolefin fastener that's half the thickness of standard Dual Lock reclosable fasteners
- Choose a fastener with a 100 closure life
- Features good heat resistance up to temperatures of 70 °C
- Resist ultraviolet (UV) light, solvents and temperature
- Available in a variety of colours – including a transparent option that blends well with web stock

3M™ Dual Lock™ Low Profile Reclosable Fastener SJ457D is a modified acrylic adhesive on the back of a clear polypropylene reclosable fastener. Its modified acrylic adhesive enables you to bond medium to low surface energy materials such as metals, glass, many plastics and powder coated paints. With its 1.7 mm engaged thickness, our fastener is half the thickness of standard Dual Lock™ reclosable fasteners.

Get a self-mating polyolefin fastener that's half the thickness of standard Dual Lock™ reclosable fasteners with 3M™ Dual Lock™ Reclosable Fastener SJ457D Low Profile. Our fastener bonds metals, glass, many plastics and powder coated paints, and medium to low surface energy materials. It's made with a low surface energy adhesive on the back of a clear polypropylene reclosable fastener and has a closure life of 100.

Suggested Applications:

- Use to bond metals, glass, many plastics and powder coated paints and medium to low surface energy materials
- Apply as a decorative appliance trim attachment
- Bond corrugated or paperboard cartons, wood, particle board, chipboard and cushioning foams
- Cushions
- Components
- Decorative appliance trim attachment
- Access panels.
