

Better accessibility thanks to tapered tool ends

Comfortable soft plastic zone ensures a firm hold

Ideal for NYM, coax and data cable: slitting of the sheath, dismantling and wire stripping with just one tool

Precision-ground shaped blades for wire stripping

Extremely ergonomic handling due to the innovative pistol handle design

Cable stripping knife for easy longitudinal cut of the cable sheath

KNIPEX ErgoStrip®

Universal Dismantling Tool

The dismantler. The wire stripper. The all-rounder.

**KNIPEX ErgoStrip®
Universal Dismantling Tool**

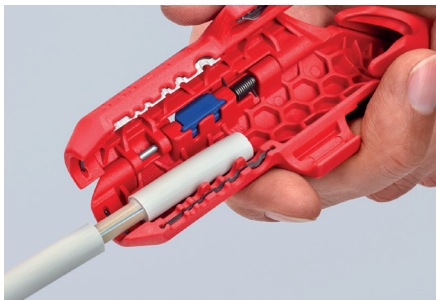

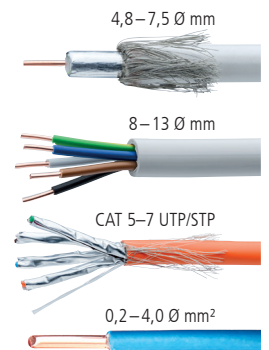

16
95

- ▶ For the fast and precise dismantling and stripping of all common round and damp-proof installation cables (e.g. NYM cable 3 x 1.5 mm² up to 5 x 2,5 mm²), data cable (e.g. twisted pair) and coax cable
- ▶ Innovative, ergonomic pistol grip design for easy cutting, stripping and longitudinal cut of the sheath
 - > Conical, slimmed down tool ends for better access in confined areas
 - > Stripping device for cross-sections 0.2 / 0.3 / 0.8 / 1.5 / 2.5 and 4 mm²
 - > Simplified insertion of single wires for stripping using location ridges
 - > with opening spring and locking device
 - > Easy insertion of coax and data cable thanks to opening aid
 - > Multi-component design with a soft plastic zone for comfortable use and a secure grip
 - > Housing made from stable glass fibre reinforced plastic
