Multifunctional pipe grip

Long Reach Needle Nose Pliers with transverse profiles

Long Reach Needle Nose Pliers

DIN ISO 5743, with transverse profiles

00
11

- ▶ Long Reach Needle Nose pliers with wave profile
 - ▶ For gripping, adjustment and assembly work in hard to reach areas thanks to slim, very long design
 - ▶ Deep down situated parts can be easily reached using the slim, half-round tips
- > Careful yet reliable gripping, holding and guiding of small copper pipes, screws and cables as well as other round parts thanks to milled grooves with smooth surfaces
 - > Serrated pipe grip for strong grip on round parts
 - > Particularly suitable for work in the automotive trade and in mechanical engineering
 - > Slim yet robust tool: forged from special tool steel, oil-hardened and tempered
