Hose Clamp Pliers  
for Click clamps

85  
51

▶ For confined spaces: the proven KNIPEX hose clamp pliers are now also available in a convenient length of 180 mm

- > Good accessibility due to compact design
- > Easy working: extremely good leverage of 5:1
- > Reliable opening and closing of the clamps in any position due to rotatable grip inserts
- > Can be universally used for Click clamps
- > For dismantling hoses up to Ø 23 mm
- > Damage-free gripping of hoses due to slight serration on the upper gripping jaw
- > Chrome vanadium electric steel, forged, oil-hardened

Now also available in 180 mm length

85 51 180 C

Flexible accessibility to the clamp due to rotatable grip inserts
