

FFC Connectors

FFC3A20

- Ⓞ Extremely competitive 1.00mm FFC connector solution
- Ⓞ Vertical mount variant to compliment existing horizontal options within the GCT 1.00mm FFC connector range
- Ⓞ Gold Flash (std) or Tin plating across primarily 4 thru 30 contact
- Ⓞ Compliment with custom FFC cables – utilise GCT's p/n builder to define a custom solution – see <https://gct.co/pnb/basket/ffc>

Vital Stats

Pitch

1.00mm

Actuator Type

Slide Lock

No. of Contacts

4-30

Profile

5.50mm

Contact Type

Gold (std) or tin

Applications

Imaging Equipment
Instrumentation
Medical
Consumer Electronics
Displays
