

September 7, 2010

Revision History

PCN#	Issue Date	Description
09A-10	June 7, 2010	Initial release.
09I-10	September 7, 2010	Supersedes PCN#09A-10. Recommended alternatives in Exhibit A have been revised / updated.

**Subject: PCN# 09I-10 (Revision to PCN#09A-10, Issued on June 7, 2010)
Notification of Intent to Discontinue Select Mature Devices**

Dear Lattice Customer,

Lattice is providing this notification of our intent to discontinue select mature devices. The customer demand for these devices has been declining over the years and it no longer makes economic sense to continue manufacturing.

Affected Products

The Ordering Part Numbers (OPNs) affected by this PCN along with recommended replacement alternatives are listed in the Exhibit “A” (also available in excel spreadsheet from [here](#)). Pin compatible replacement options, if applicable, are indicated in the table. This PCN also affects any custom devices (i.e. factory programmed, special test, tape and reel, non-standard speed grade and package, etc.), which are derived from any of the devices listed in the table.

Please note that the recommended alternatives for the GAL[®] and ispPAC[®]-POWR devices have been revised and updated as they are also being discontinued via [PCN#13A-10](#) (Notification of Intent to Discontinue Select Mature Devices), issued on September 7, 2010.

Discontinuance Timing

Customers will have 6 months to place your last time buy (LTB) orders for these devices. All LTB orders for these devices will be non-cancelable and non-returnable. All LTB orders must be placed no later than December 7, 2010 (6 months after the date of this notice) with all deliveries taken no later than June 7, 2011 (12 months after the date of this notice). Orders received after December 7, 2010 will only be accepted based on available on-hand inventory.

Discontinuance Timing – Summary

- **Last Time Buy Order Date: December 7, 2010**
- **Last Shipment Date: June 7, 2011**

Response

In accordance with JESD46-C, this change is deemed accepted by the customer if no acknowledgement is received within 30 days from this Notice.

Note: Be sure to sign up for PCN “Web Alerts” (See [PCN#13A-09](#) for details) and receive all future Lattice PCNs via e-mail!

Contact

If you have any questions or require additional information, please contact pcn@latticesemi.com.

Sincerely,

Lattice Semiconductor PCN Administration

Note: This PCN also affects any custom devices (i.e. factory programmed, special test, tape and reel, non-standard speed grade and package, etc.), which are derived from any of the devices listed above.

1. Requires different supply voltages.
2. Exception of BSCAN/ispEN pins.
