

# CREALITY

MPN - UW-02

Description – Washing/Curing Machine

## UW-02 Washing/Curing Machine

Precision integral light source

Efficient and easy slicing

Efficient and easy slicing High performanic mainboard

# Product Parameters

Fully-enclosed machine size: 325*295*485mm	SLA wavelength: 385nm&405nm
Fully-enclosed weight: 8kg	Input voltage: 100-240V
Washing size: 240*160*200mm	Output constant voltage: 24V/2.5A
Curing size: $\varnothing$ 200*300mm	Power supply power: 60W
Maximum model weight: 2.5kg	Box type: Fully-enclosed
Package specification: 425*395*545mm	Material of curing platform: Mirror stainless steel
Mode: Cleaning / Curing	Material of Washing bucket: PP
Speed: Fast/ Constant Speed	Support Language: Chinese/English
Time: 2/5/10/15/20/30min	Control software system: Windows 7 or above
