

Announcement

25 April 2022

Specification change: DPRI series proximity switches

IDEC would like to inform you of a specification change regarding our DPRI series proximity switches. Details are as follows:

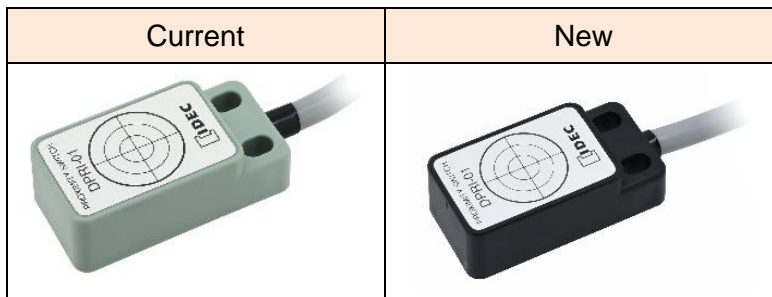

1. Subject models

DPRI series proximity switches: 4 items (incl. special products)

Cable length	Part number
1m	DPRI-01
2m	DPRI-01-2M
3m	DPRI-01-3M
5m	DPRI-01-5M

2. Modification details

The colour of housing will be changed as below.

Note: There is no other specification change.

3. Schedule

Starting January 2022 (or sooner depending on our stock situation)

Note: Depending on our stock situation, current and new products may be mixed in the same shipment.

4. Part number and prices

No change

5. Identification

Modified products will have a black dot “•” displayed on their product cases, next to the lot number.

This identification mark will be used with modified products made until June 2022.
