

05-May-2022

PCN #: P-22-022611

Subject : BDS-A second source supplier of Diodes

Description of Change : Dear Customer, within our ongoing efforts to stop any disruptions in our capability of production and deliveries, we have approved a second source of diodes 1N4007, that are part of this product. We performed all the necessary tests and validation, so we are confident that this will not impact the final product and your application. This PCN is only informative and since it is a non-form, fit function change, TE does not require any approval from your side. If you have any questions, please contact our sales department and we will be happy to answer, or even show any tests results. Thank you.

Reason : Product improvement.Component shortage.

Key Dates :

Contact By Date:15-May-2022

Implementation Date:15-May-2022

Product Affected	Alias Part Number	Substitute Part Number	AliasSub Part Number
7-1414778-3	"V23130-C2421-A431"		
1-1414939-4	"V23130-C2021-A412"		

The dates on the product change notification (PCN) are best estimate dates determined at the time of issuance. Actual implementation dates may vary from such dates.

The change described in the PCN can be withdrawn, without notice, for any or all of the products identified on the PCN.

TE Connectivity corporate policy is for PCNs to be valid for 60 days and obsolescence notices to be valid for 180 days after date of issue.

For confirmation or additional information on the change, please contact the TE Connectivity Product Information Center at 800-522-6752 or your TE Connectivity Sales Representative.
