TE Connectivity

Product Change Notification: P-22-022525

PCN Date: 18-APR-22

TE would like to inform you of the following change(s) to the listed TE Connectivity Product. In case of any further questions about this change(s), please contact your TE Connectivity Sales Engineer. Affected part, drawing and/or specification numbers are listed on the attached sheet(s).

General Product Description:

MCON 1.2 LL REC SWS AG

Description of Changes

Additional source of manufacturing for plated component TEPN 1-1394898-3 which is currently produced in TE Dinkelsbuehl, Germany. TE Greensboro, USA will have the capability to plate this component for use in local terminal and assembly processes. There is no change to the manufacturing location of any terminals or assemblies using this component.

Reason for Changes:

Product improvement. Increase available global capacity for the plated components.
