

Fluke Premium Care™ Gold Support Plans

Reduce unplanned expenses and get the most out of your SimpliFiber™ or MultiFiber™ Pro Testers

When you invest in the best equipment in the industry, you want your money to go as far as possible. Fluke Premium Care Gold Support Plans provide coverage above and beyond your tool's original product warranty, so you don't need to worry about unexpected downtime caused by damaged test equipment, accessories, or tools in need of calibration or repair.

Fluke Premium Care Gold Support is available in both one-year or three-year options so you can choose the plan that is right for you.

Damage and repair

Unexpected repairs can be expensive. Rest easy knowing that your product is covered in the event it gets damaged. No-hassle, no-charge repair, including labor, parts and priority next-on-bench services and shipping.

Traceable calibration or preventive maintenance and performance check

Don't risk rejection of results by using an out-of-calibration tester. Fluke Premium Care Gold Support Plans include one annual calibration and performance check per year, free of charge, at our Authorized Fluke Service Centers.

Priority technical support

Fluke Premium Care Gold Support Plan customers are provided with direct, priority phone numbers to our world-class Technical Assistance Centers (TAC) so your technicians can call us from your job site.

Accessories*

Accessories that originally shipped with your unit and have been qualified as defective by our technicians will be replaced, free of charge, during the term of your agreement. Excludes video probe and VFL.

Covered accessories include:

- Rechargeable batteries
- Power adapter
- Cables
