Deco App - Easy Setup and Management

The Deco app provides the easiest way to set up, manage and monitor your Deco Whole Home Mesh Wi-Fi System through your iOS or Android devices. Deco makes it easy to manage your Wi-Fi from anywhere, whether you're on the couch, at work, or anywhere in between.

Flexibly control all devices from your phone or tablet with just one click.

Notes: App interfaces and functions may vary slightly based on the app version and Deco models.
