Before Picture				

- As part of Molex's strategy to remain competitive in North America, Molex IS business (Industrial Products) is moving to a new building inside Molex facility at Guadalajara 1 by Q3 2022.
- The transfer follows a strict procedure, fully maintaining quality, the ability to supply and the form-fit-function of the concerned products. The manufacturing arrangement operates under a certified quality management system in accordance with standard industry requirements. A Molex internal release test based on the relevant part specifications defined by Product and Quality Engineering will be executed before delivery.
- All these part numbers are Molex proprietary designs, therefore considered catalog/general market product.
- There is no impact to product Fit, Form or Function with these transfers.
