Dear NMBTC Customer:

We would like to inform you of the following change to NMBTC's Fan product line: **Product Discontinuance Notification for some NMBTC Fan series**. Thus consider this letter a 30-day notice of this discontinuation.

Reason for discontinuance: The molds to produce them are very old and reaching the end of useful life. ***New and improved series are available*** to purchase/recommended for new designs

The following information pertains to this announcement of this Product Discontinuance notification – see below EOL Master Item Table

Last Time Buy Date: Dec 20th, 2022

Last Scheduled Ship Date: Jul 31, 2023

The attached table not only illustrates the specific series being discontinued but also the recommended equivalent product. As noted in the table comments, in most instances, there are product improvements (for example: increased air flow, less noise, etc). Therefore we suggest referencing the appropriate data sheet(s) for additional details regarding these products. These datasheets can be found at www.nmbtc.com or from NMB Product/ Sales Management. NOTE: **All other Series not listed here or in previous EOL notices are still available to order.**
