

mikroPascal PRO for dsPIC/PIC24 (USB Dongle)

PID: MIKROE-744

[mikroPascal PRO for dsPIC/PIC24](#) USB Dongle License is a single user Licensing option which unlocks your compiler on any Windows computer or Windows Virtual machine where the USB Dongle is plugged into the USB Port. Pay the license and shipping and we'll give you USB dongle for FREE.

Mikroe produces entire development toolchains for all major microcontroller architectures.

Committed to excellency, we are dedicated to helping engineers bring the project development up to speed and achieve outstanding results.

ISO 27001: 2013 certification of informational security management system.
ISO 14001: 2015 certification of environmental management system.
OHSAS 18001: 2008 certification of occupational health and safety management system.

ISO 9001: 2015 certification of quality management system (QMS).

Specifications

Architecture	dsPIC/PIC24 (16-bit)
License type	USB Dongle
Programming language	Pascal
