

**Product Change Notification** **CN-202206012F**

**Issue date:** 11 Jul 2022  
**Effective date:** 23 Oct 2022

Dear [pcn@ttiinc.com](mailto:pcn@ttiinc.com),

Here's your personalized quality information concerning products our customers and partners purchased from Nexperia.

For more details please contact your respective Nexperia CSR/AM.

**Change of die, lead frame and mold compound for schottky diodes in SOD123W**

**Details of this change**

The following items are changed in the affected products:

- New clip type with optimized geometry
- No silver spot on lead frame surface anymore
- Change of mold compound
- Shrinkage of die size from 960 µm x 960 µm to 910 µm x 910 µm and from 1290 µm x 1290 µm to 1220 µm x 1220 µm
- New die design
- Datasheet parameter IFSM "non-repetitive peak forward current" is measured with half sine wave pulses instead of square wave pulses

SQR\_SOD123W\_Standard\_Portfolio.pdf:

[https://qcm.nexperia.com/Document/DOC-540757/SQR\\_SOD123W\\_Standard\\_Portfolio.pdf](https://qcm.nexperia.com/Document/DOC-540757/SQR_SOD123W_Standard_Portfolio.pdf)

### **Why do we implement this change?**

- Improvement of robustness and inline control during assembly process
- Adaption of lead frame surface to new die design
- Improvement of robustness against delamination of mold compound
- Increase of production capacity
- Alignment with Nexperia and world technology standards

### **Identification of affected products**

Top Side Marking

Changed products can be identified by date code after implementation

## **Management summary**

For all parts which are affected by this PCN the AEC-Q101 qualification status will be removed latest on 1st January 2023, please refer to CN-202201004F.

No automotive support (e.g. PPAPs) will be provided for affected products.

## **Product availability**

### **Production**

Planned first shipment: 17 Oct 2022

Existing inventory will be shipped until depleted

## Sample information

Samples are available upon request

## Impact

No impact to the product's functionality anticipated

## Data sheet revision

A new datasheet will be issued

## Feedback

Your acknowledgement of this change, conform JEDEC J-STD-046, is expected till 10 Aug 2022. Lack of acknowledgement of the PCN constitutes acceptance of the change.

## Contact and support

For all Quality Notification content inquiries, please contact your local Nexperia Sales Support Team.

For specific questions on this notice or the products affected please contact our specialist directly: [pcn@nexperia.com](mailto:pcn@nexperia.com)

In case of distribution, please contact you distribution partner.

## About Nexperia B.V.

We at Nexperia are the efficiency semiconductor company. We deliver over 90 billion products a year and as such service thousands of global customers, both directly and through our extensive network of channel partners. We are at the heart of billions of electronic devices in the

Automotive, Mobile, Industrial, Consumer, Computing, and Communication Infrastructure segments.
