General Product Description: (Text limited to 120 characters)

Superseal 1.0 blind plug New Manufacturing Location

Description of Changes

Superseal 1.0 blind plug Production Manufacturing Location Change. The Industrial and Commercial Transportation business unit of TE Connectivity is adding an additional manufacturing location for the following part numbers, to our TE plant based at Suzhou, China. These PNs are TE proprietary designs, therefore considered catalog/general market product. TE reserves the right to move production back to prior location based on business need. PPAP and/or sample requests must be submitted within 14 days of PCN submission via ict-ppap-request@te.com or ePPAP system. Submission will not occur without request. If PPAP requested, disposition response is required within 14 days of submit date or it will be considered approved. IMPORTANT: The current and previous revisions of these parts can be used interchangeably in the field. The changes are being phased in gradually and previous revision can remain stocked until use. Shipments of both configurations may be mixed.

Reason for Changes:

Dear Customer, we hereby inform you of this change. This change is necessary to increase capacity and improve delivery to you, the Customer. The change will not impact connector performance.
